ORGANISING COMMITTEE SELANGOR BAR GOT TALENT 2021

CHAIRMAN'S FOREWORD

On behalf of the Selangor Bar Committee, I humbly welcome all participants to the inaugural Selangor Bar's Got Talent 2021.

Winning takes talent, to repeat takes character – John Wooden

I believe that every person is born with a talent. During the Covid 19 pandemic, we saw many showcasing their talent on their social media. Yes, we noticed. It was heartwarming and pleasant.

Taking cue from this, the Young Lawyers Subcommittee of the Selangor Bar decided to put up its first virtual talent show, the Selangor Bar's Got Talent 2021 as a way to connect with our fellow lawyers from all over the country during this time of isolation amidst the Covid 19 pandemic.

The Selangor Bar's Got Talent 2021 Finals on 27.11.2021 will see 10 teams competing for the grand prize of RM2,500 in a unique way for lawyers to admire the talents of their peers and a great way to engage with each other.

The aim of the Selangor Bar's Got Talent event is to provide a platform for lawyers to display their personal talents, with acts ranging from singing, dancing, comedy, magic performances and safe stunts to a variety of other genres of interest.

I would like to thank the Selangor Bar Committee Members for supporting this event, the panel of judges, sponsors, without which this event would not have been possible.

Last but not least, to the organizing committee, I am grateful and fortunate to have such a passionate and dedicated team that has helped organize this competition amidst the pandemic. I am confident that the Selangor Bar's Got Talent 2021 will be a successful one and will undoubtedly offer all participants a rewarding experience.

Finally, I wish all participants the very best in the competition. There may be only one participant/team that may emerge as a winner, but I am confident that for each participant, as lawyers, the fun element and the excitement gained through this competition would be something to be cherished in the future.

I wish you great success in your bright and glorious career. Don't forget to have fun. Keep calm and showcase your talent.
